Check your statements – most tuition payments end in March!

Parents, please be sure to review your monthly statements emailed from registrar@ctrschool.com each month and make payments according to that balance. The latest was sent on February 21st. Most families who are on the monthly tuition payment schedule will finish for the year with the March payment. Any other outstanding balances will continue to show up on the March and April statements. If you have any questions, please email us at accounting@ctrschool.com.
